Welcome to Seoul. Like any Post, there are many forms that need to be filled out. Many of these forms are out of our control – i.e. forms required from **DoD** and the **Government of Korea** – which we can not modify to automate.

What we did do, is attempt to take as much of the *redundancy* – i.e. writing your name on ten different forms - out of many of the forms you need to fill out.

Please enter *as much* information on page 2 to 4 as you can and send it to HR employee, Ms. Chang, Dong Sook at changds@state.gov (Click to Send E-mail)

We would greatly appreciate it, if during your check-in, if you encounter any forms not included on our system, to get an extra copy and send it to the ISO in room 503.
